

PROJECT FACTSHEET

Promoting Disaster Ready Inclusive Preparedness towards Adaptation (PRODRIPTA/প্রদৃপ্ত)

BACKGROUND

CARE Bangladesh will be implementing the Margaret A. Cargill Philanthropies' (MACP) "Promoting Disaster Ready Inclusive Preparedness towards Adaptation (PRODRIPTA/প্রদৃপ্ত)." This three-year program aims to foster inclusive community preparedness and resilience through the combination of disaster-ready communities and accountable institutions in the northern char district of Gaibandha and the central coast district of Patuakhali. In achieving its ultimate purpose, the program will undertake activities to enable the communities to adapt to shocks & stresses, make the DRR institutions accountable to local communities and provide financing for community actions, and support communities to sustain adaptive capacity through strengthened, locally led learning, networking and advocacy.
